

WS13 Prof. Man HUA & pupils from Green School (EN/FR)

Thursday 9 February 2023 15:00 (1 hour)

Title: Brussels region : Tomorrow, 1 million of farmers, bikers, local consumers and active citizens ?

Description: It will be a three-way dialogue between Prof. Man Hua, Emma Peltier and Iseult Saliez (S6 students) concerning the following issues:

“Eating better?”

“Moving differently?”

“Consuming differently?”

“Acting for others?”

L’atelier sera précédé d’une projection du documentaire Demain de Cyril Dion, la veille du début du PhiloDay, le mercredi de 13h30 à 15h30 à l’école en salle polyvalente ou en A003 (à déterminer). Il n’est pas nécessaire d’assister à la projection pour participer ensuite à l’atelier. Cependant, l’opportunité de voir le documentaire, si vous ne l’avez pas déjà vu, vous permettra de connaître en détail les initiatives qui seront discutées pendant l’atelier.

Before the Philoday, the documentary Tomorrow by Cyril Dion will be shown at school on Wednesday 8 February from 1.30 to 3.30 pm in the Salle Polyvalente or in A003 (to be determined). It is not necessary to attend the screening to participate in the workshop afterwards. However, the opportunity to see the documentary, if you have not already seen it, will allow you to know in detail the initiatives that will be discussed during the workshop.

Speaker: Prof. Man HUA studied Chemistry and launched the project Green School a couple of years ago at Laeken. With a Committee of pupils he successfully introduced sustainable development objectives and initiatives, driving EEB4 to a Green school Label (2022).

Presenter: Prof. HUA, Man

Session Classification: WORKSHOP #2
